

REGIONAL PARAMEDIC PROGRAM FOR EASTERN ONTARIO

Become an Peer Reviewer at RPPEO

We are seeking Advanced Care Paramedics for the position of Peer Reviewer (Level I) in accordance with RPPEO Quality and Patient Safety Policy QPS 190.

Position Summary:

As a Peer Reviewer, your role is to perform retrospective audits of select Ambulance Call Reports, ensuring adherence to the Basic/Advanced Life Support Patient Care Standards, in conjunction with all relevant MOHLTC regulatory requirements

Qualifications:

- Advanced Life Support Paramedic qualifications with 3-5 years of experience
- Ability to adhere to finite process timelines, as established by the Quality Assurance Manager
- Ability to apply fair & professional clinical judgement
- Minimum technical requirements – please refer to the list of requirements below this post
- Effective time management
- Currently certified & in good standing with the RPPEO, including respectable QA & educational performance history
- Ability to attend periodic brainstorming and educational sessions

If you are interested in joining our team, please submit your resume and cover letter to: quality@rppeo.ca by Friday, July 20, 2018

Interviews for qualified applicants will be booked on an ongoing basis as qualifying applications are received.
